Never were conditions better in Salt Lake City for the investor than they are today. If you will stop to think, I think you will spee with me that business will be better in Salt Lake City than it will be in any of the big coast cities for the next few years. Compare your population and competition with the traffic and remember that these millions of people who are flocking to the coast cities have to pass through Salt Lake, and do they not naturally have a desire to see our city, and will they not take advantage of this opportunity.
